**TARIFF FORMAT**

- A. Sheet Numbering - Sheet numbers appear in the upper right corner of the page. Sheets are numbered sequentially. However, new sheets are occasionally added to the tariff. When a new sheet is added between sheets already in effect a decimal is added. For example, a new sheet added between sheets 14 and 15 would be 14.1.
  
- B. Sheet Revision Numbers - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current sheet version on file. For example, the 4th revised Sheet 14 cancels the 3rd revised Sheet 14.

DEFINITION OF TERMS

Long Distance Provider: A long distance telecommunications services provider, also known as IXC or Interexchange Carrier.

Message: A communication between two stations.

Minimum Contract Period: The minimum length of time for which a customer is obligated to pay for a service or facilities regardless of whether or not the service is retained by the customer for that minimum length of time.

Monthly Recurring Charges: The monthly charges paid by the Customer for services, facilities and equipment, which continue for the agreed upon duration of the service.

Network Access Line: A central office or exchange line, less instruments, to provide access to the local and national telecommunications network.

New Subscriber: Applicants having no basic monthly service or those subscribers changing service premises.

Non-Listed Telephone: A subscriber who has the telephone number listing omitted from the telephone directory but listed in the directory assistance records, available from the directory assistance operator.

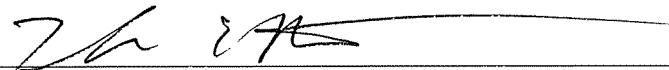

Non-Published Telephone: A subscriber who has the telephone number listing omitted from both the telephone directory and directory assistance records at the customer's request.

Recurring Charges: The monthly charges to the Customer for services, facilities and equipment, that continue for the agreed upon duration of the service.

Residential Service: Service furnished to customers where the actual or obvious use is for domestic purposes.

Service Commencement Date: The first day following the date on which the Company notifies the Customer that the requested service or facility is available for use. The Company and Customer may mutually agree on a substitute Service Commencement Date.

Effective Date: December 29, 2006

---

**DEFINITION OF TERMS**

Service Order: The written request for Network Services executed by the Customer and the Company in the format devised by the Company. The signing of a Service Order by the Customer and acceptance by the Company initiates the respective obligations of the parties as set forth therein and pursuant to this tariff, but the duration of the service is calculated from the Service Commencement Date.

Subscriber: Any person, firm, partnership, corporation, municipality, cooperative, organization or governmental agency furnished communication service by the Company under the provisions and regulation of its tariff.

Suspension of Service: An arrangement made at the request of the customer, or initiated by the Company for violation of tariff regulations by the customer, for temporarily discontinuing service without terminating the service agreement or removing the telephone equipment from the customer's premises.

Tariff: The rates, charges, rules and regulations adopted and filed by the Company and accepted by the Kentucky Public Service Commission.

Temporary Disconnection: An arrangement whereby service is discontinued or suspended without terminating the contract or removing the telephone equipment.

Temporary Service: For the purpose of distinguishing between permanent and temporary service, temporary service is "any" service provided by the company that (1) does not fulfill the requirements of a minimum service contract, (2) would create an unusual expense for the Company caused by the short duration of service.

Termination Charge: A charge that applies for the discontinuance of an item of service or equipment prior to the expiration of the initial service period.

User or End User: A Customer, Joint User, or any other person authorized by a Customer to use service provided under this tariff.

## GENERAL REGULATIONS

### B.1 Application of Regulations

The regulations set forth herein apply to intrastate services and facilities furnished within the State of Kentucky by Cellular Services, LLC, after referred to as the "Company", subject to the jurisdiction of the Kentucky Public Service Commission. When service and facilities are provided in part by the Company and in part by other companies, the regulations of the Company apply to that portion of the service or facilities furnished by it.

### B.2 Limitations and Use of Service

#### B.2.1 Use of Subscriber's Service

1. Except as otherwise provided in this tariff, telephone equipment and facilities are furnished for the use of the following:
  - a. the subscriber; or
  - b. members of the subscriber's domestic establishment; or
  - c. employees, agents or representatives of the subscriber; or
  - d. patrons of hospitals or of hotels; or
  - e. members of clubs at the specified club location; or
  - f. students living in quarters furnished by schools, colleges or universities; or
  - g. persons temporarily subleasing a subscriber's residential premises; or
  - h. tenants living in retirement complexes.
  
2. Except as otherwise provided in this tariff, service furnished by the Company is intended only for communications in which the subscriber has a direct interest and shall be received by him from any other person, firm, or corporations for use, or in the collection, transmission or delivery of any communication for others. This prohibition shall not apply to a subscriber who is engaged as a communications common carrier for message telegraph communications, or to approved Sharing and Resale of Basic Local Exchange Service Subscribers, or customer provided public telephones.

GENERAL REGULATIONS

B.2 Limitations and Use of Service (cont'd)

B.2.1 Use of Subscriber's Service (cont'd)

3. In view of the fact that the subscriber has exclusive control of the subscriber's own communications over the facilities furnished to the subscriber by the Company, and of the other uses for which facilities may be furnished to the subscriber by the Company, and because of unavoidable errors incident to the services and to the use of such facilities of the Company, the services and facilities furnished by the company are subject to the terms, conditions, and limitations herein specified.

B.2.2 Establishment of Identity

1. The calling party shall establish his identity in the course of any communications as often as may be necessary.
2. The calling party shall be solely responsible for establishing the identity of the person with whom connection is made at the called location.

B.2.3 Minimum Contract Period

1. Except as specified elsewhere in this Tariff, the minimum contract period is one month from the date service or additions to service are established and the minimum charge is the authorized rate for one month. For purposes of rate administration each month is considered to have 30 days.
2. The Company may require a contract period longer than one month at the same location in connection with special types or arrangements of equipment or for unusual construction necessary to meet specific demands for service.
3. The length of contract period for directory listings, where the listing actually appears in the directory, is the directory period. The directory period is from the day on which the directory is first distributed to the Customers to the day the succeeding directory is first distributed to Customers.

The subscriber is responsible for the provision and maintenance at the subscriber's expense, of all suitable space and floor arrangements, including but not limited to adequate lighting, proper relative humidity and temperature control, required on the subscriber's premises for communication facilities provided by the Company in connection with services furnished to the subscriber by the company. Any power outlets and commercial power required for the operation of such facilities shall be provided by, and at the expense of, the subscriber.
2. Except as may be specified elsewhere in this Tariff, all operating power required for the use of communications facilities provided by the Company at the subscriber's premises will be performed at the expense of the subscriber, and must conform to the operating practices and procedures of the Company to maintain a proper standard of service.

**B.3.9 Termination of Service**

1. Termination of Service by the Company
  - a. Violation of any of the regulation contained in this Tariff on the part of the subscriber may be regarded as sufficient cause for termination of the subscriber.
  - b. When the service is terminated on the initiative of the Company because of violation of its regulations by the subscriber the regulations stipulated below for termination of service at the subscriber's request apply.

The Company may refuse to furnish or continue to furnish service hereunder, if such service would be used or is used for a purpose other than that for which it is provided or when its use interferes with or impairs, or would interfere with or impair any other service rendered to the public by the Company.

GENERAL REGULATIONS

B.3 Establishment and Furnishing of Service (cont'd)

B.3.9 Termination of Service

2. Termination of Service at the Subscriber's Request

- a. Service may be terminated at any time upon reasonable notice from the subscriber to the Company. Upon such termination the subscriber shall be responsible for the payment of all charges due for the period service has been rendered plus any unexpired portion of an initial service period or applicable termination charges, or both.
- b. In the case of directory listings where the listing has appeared in the directory, the charges due to the end of the directory period, except that in the following cases charges will be continued only to the date of termination of the extra listing or joint-user service, subject, however, to a minimum charge for one month:
  - i. The contract for the main service is terminated.
  - ii. The listed party becomes a subscriber to some class of exchange service.
  - iii. The listed party or joint-user moves to a new location.
  - iv. The listed party or joint-user dies.
- c. For contract service or special equipment, the charges may be based on the individual circumstances in each case as agreed upon at the time of installation.
- d. Contracts for periods of longer than the minimum period covering services whose installation required line extension may be terminated upon payment of all charges that would accrue to the end of the contract period, or the contract will be transferred to a new applicant who is to occupy the same premises and will subscriber to the service effective on the day following termination by the original subscriber.

B.3.10 Suspension of Business and Residential Service

1. General

- a. Upon request, a subscriber to residence service may arrange for the temporary suspension of such service unless otherwise specified in other sections of this Tariff. Suspension of service is available on the subscriber's complete service or on such portion thereof as can be suspended.
- b. When the period of suspension is less than one month, the regular charges for the full month of service shall apply.
- c. In Connection with complete suspension of service, local or long distance service is not furnished during the period of suspension. At the request of the subscriber, inward calls to a party at which service is suspended may be referred to the call number of another party in the same or a distant exchange.
- d. The charge for the total suspension period may be collected in advance.
- e. There is no reduction in the charge for foreign central office line mileage and foreign exchange line mileage during the period of suspension.
- f. In connection with service at a concession rate the charge for service during the period of suspension is 50 percent of the rate regularly charged for service without concession, except in the case the concession is 50 percent or more, then the charge during the period of suspension is the rate regularly charged for the concession service.

B.3.12 Maintenance and Repairs

All ordinary expense of maintenance and repairs, unless otherwise specified in this Tariff, is borne by the Company, on company provided leased equipment. In case of damage, loss, theft, or destruction of any of the Company's property due to the negligence or willful act of the subscriber or other persons authorized to use the service, and not due to ordinary wear and tear or causes beyond the control of the subscriber, the subscriber shall be required to pay the expense incurred by the Company in connection with the replacement of the property damaged, lost, stolen, or destroyed, or the expense incurred in restoring it to its original conditions.

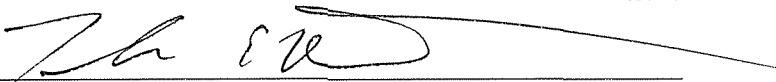

B.3.13 Company Facilities at Hazardous or Inaccessible Locations

Where service is to be established at a location that would involve undue hazards to employees of the Company, or where accessibility is impracticable, the subscriber may be required to install and maintain the Company's equipment. All customer-provided equipment and facilities must be constructed and maintained in a manner satisfactory to the Company and in compliance with all regulations set forth in this Tariff. Failure by the Customer to comply with these requirements will result in disconnection of the service.

B.3.14 Work Performed Outside Regular Working Hours

The rates and charges specified in this Tariff contemplate that all work in connection with furnishing or arranging service is performed during regular working hours. Whenever a subscriber requests that work necessarily required in the furnishing or rearranging of the Customer's service be performed outside the Company's regular working hours or that work once begun be interrupted, so that the Company incurs costs that would not otherwise have been incurred, the subscriber may be required to pay, in addition to the other rates and charges specified in this Tariff, the amount of additional costs incurred by the Company as a result of the subscriber's special requirements.

**GENERAL REGULATIONS**

B.4 Payment Arrangement and Credit Allowances

B.4.1 Advance Payments

1. At the time an application for service is made, an applicant may be required to pay an advanced payment equal to at least one month's service and/or installation charges which may be applicable, and any applicable taxes or franchise fees in addition to such special construction and installation charges as are to be borne by the applicant. The amount of the advance payment is credited to the subscriber's account on the first bill rendered.
2. Federal, State or Municipal governmental agencies may not be required to make advance payments.

B.4.2 Establishment of Credit

In accordance with Kentucky Public Service Commission rules, the Company is not obligated to furnish service to any individual or firm that owes for service previously rendered at the same or a different address, until arrangements have been made to liquidate such previous indebtedness to the Company. Nor is the Company obligated to continue to furnish service to any individual or firm whose credit is or becomes in the opinion of the company, doubtful. In order to insure the payment of all charges due for its service, the Company may require a subscriber to establish and maintain credit in one or more of the following ways:

- a. By furnishing reference suitable to the Company;
- b. By providing a suitable guarantee in writing, in form prescribed by the Company;
- c. By means of cash deposit;
- d. By having been a satisfactory subscriber of the Company.

GENERAL REGULATIONS

B.4 Payment Arrangement and Credit Allowances (cont'd)

B.4.3 Deposits

1. Unless credit has otherwise been established, the Company may require from any applicant or subscriber for service a minimum cash deposit or other guarantee to secure payment of bills of an amounts not to exceed two-twelfths (2/12) of the estimated annual bill of such subscriber or applicant.
2. The Company shall pay interest on deposits at the rate set by the Public Service Commission for such deposits. Interest on deposits shall accrue annually and, if requested, shall be annually credited to the subscriber by deducting such interest from the amount of the next bill for service following the accrual date.
3. The fact that a deposit has been made in no way relieves the applicant or subscriber from complying with the Company's regulations as to advance payment and the prompt payment of bills on presentation or constitutes a waiver or modification or the regular practices of the Company providing for the discontinuance of service for nonpayment of any sum due the Company.
4. After discontinuance of service and following rendition of the final bill, the Company will refund the subscriber's deposit plus accrued interest, or the balance, if any, in excess of any unpaid bills for past service provided. Such refund, if any, will be forwarded to the last known address of the subscriber.
5. The fact that a subscriber is not required to make a deposit with the initial application or that a deposit collected with the initial application is not sufficient to cover a subscriber's anticipated needs in no way prohibits the Company from requiring a deposit or increasing a deposit. Should a subscriber be notified of the requirement for a deposit or an increase in a deposit and refuse to do so, service may be terminated at the Company's option. Deposit cannot be applied to service charges until service is discontinued.

**LIFELINE**

(N)

C.1 Description of Service

1. The Lifeline program is designed to increase the availability of telecommunications services to low income subscribers by providing a credit to monthly recurring local service for qualifying residential subscribers. Basic terms and conditions are in compliance with the FCC's Order on Universal Service in CC Docket 97-157, which adopts the Federal-State joint Board recommendation in CC Docket 96-45, which complies with the Telecommunications Act of 1996. Specific terms and conditions are as prescribed by the Kentucky Public Service Commission and are as set forth in this tariff.
2. Lifeline is supported by the federal and state universal service support mechanisms.
3. Federal baseline support is available for each Lifeline service and is passed through to the subscriber. In addition state support is available for each Lifeline service and is passed through to the subscriber. The total amount of the eligible credit will not exceed the sum of the state and federal subscriber support or the charge for local service, which includes the access line, the Subscriber Line Charge and local usage.

C.2 Regulations

1. One low- income credit is available per household and is applicable to the primary residential connection only.
2. A Lifeline customer may subscribe to any local service offering available to other residence customers.
3. Full Toll blocking, if elected, will be provided at no charge to the Lifeline subscriber.
4. The deposit requirement is not applicable to a Lifeline customer who subscribes to full toll blocking. If a Lifeline customer removes full toll blocking prior to establishing an acceptable credit history, a deposit may be required. When applicable, advance payments will not exceed the connection and local service charges for one month.

A Lifeline subscriber's request for reconnection of local service will not be denied if the service was previously denied for non-payment of toll charges.
6. Lifeline is not available for resale.

C.3 Eligibility

To be eligible for a Lifeline credit, a customer must be a current recipient of any one of the following programs or have income at or below 135 percent of the Federal Poverty Guidelines.

1. Supplemental Security Income (SSI)
2. Supplemental Nutrition Assistance Program
3. Medicaid
4. Federal public housing / Section 8
5. Veterans Pension Benefits
6. Survivor Pension Benefits

All applications for service are subject to verification with the state agency responsible for administration of the qualifying program.

C.4 Certification

1. Proof of eligibility in any of the qualifying low-income programs should be provided to the company at the time of application for service. The Lifeline credit will not be established until the Company has received proof of eligibility. If the customer requests installation prior to the company's receipt of proof of eligibility, the requested service will be provided without the Lifeline credit. When eligibility documentation is provided subsequent to installation, the Lifeline credit will be provided on a going forward basis.

CONNECTIONS WITH CERTAIN FACILITIES AND / OR EQUIPMENT OF OTHERS

E.1 Regulations

1. Customer-provided terminal equipment or wiring may be used with the facilities furnished by the Company for telecommunications services as provided in this tariff. In all such cases the customer-provided equipment or wiring will be constructed, maintained and operated to work satisfactorily with the facilities of the Company, and to meet all published standards of the Federal Communications Commission (FCC).
2. Subscribers may not disconnect or remove or permit others to disconnect or remove any apparatus installed by the Company, except upon the consent of the Company, with the exception of inside wiring.
3. Where telecommunications service is available under this Tariff for use in connection with customer-provided equipment and wiring, the operating characteristics of such equipment or wiring shall not interfere with any of the service offered by the Company. Such use is subject to the further provision that the customer-provided equipment or wiring does not endanger the safety of the Company's employees or the public; damage, require change in or alteration of, the equipment or other facilities of the Company; interfere with the proper functioning of such equipment or facilities; impair the operation of the Company's service. Upon notice from the Company that the customer-provided equipment or wiring is causing or is likely to cause such hazard to interference, the customer shall make such change as shall be necessary to remove or prevent such hazard or interference. The customer shall be responsible for the payment of Company Maintenance of Service Charge for visits by the Company to the customer's premises where a service difficulty or trouble report results from customer-provided equipment or wiring.

CONNECTIONS WITH CERTAIN FACILITIES AND / OR EQUIPMENT OF OTHERS

E.1 Regulations (cont'd)

- 4. The Company shall not be responsible for the installation, operation or maintenance of any customer-provided communications systems. Telecommunications service is not represented as adapted to the use of customer-provided equipment or systems. When such equipment or facilities are connected to the Company facilities, the Customer is responsible for telecommunications service and the maintenance and operation of customer provided facilities in a manner proper for telecommunications service. Subject to this responsibility, the Company shall not be responsible for (1) the through transmission of signals generated by the customer-provided equipment or systems or for the quality of, or defects in, such transmission, or (2) the reception of signals by customer-provided equipment or system.
- 5. The Company shall not be responsible to the customer if changes in the criteria outlined herein or in any of the facilities or procedures of the Company render any customer-provided equipment or communications systems inoperable or otherwise affect its use or performance.
- 6. The Company will not be responsible for any loss or damage, nor for any impairment or failure of the service, arising from or connection with the use of facilities of customers and not caused solely by the negligence of the Company.
- 7. Where any customer-provided equipment or system is used with telecommunications service in violation of any of the provisions in this tariff, the Company will take immediate action as necessary for the protection of its services, and will promptly notify the customer of the violation. Following the receipt of written notice from the Company, the customer shall either discontinue use of the equipment or system or correct the violation. The Customer must provide written confirmation of corrective action to the Company within 10 days of receipt of written notice from the Company. Failure of the customer to take corrective action and provide written confirmation to the Company within the time stated above may result in termination of the customer's service.

CONNECTIONS WITH CERTAIN FACILITIES AND / OR EQUIPMENT OF OTHERS

E.1 Regulations (cont'd)

- 8. Customer-provided systems that provide service to a location deemed by the Company to be impracticable to serve because of hazard(s) or inaccessibility may be connected with the telecommunications service by means of connecting equipment furnished by the Company.
- 9. The customer indemnifies and saves the Company harmless against claims for infringements of patents rising from combining such equipment or system with, or using it in connection with, facilities of the Company; and against all other claims arising out of any act or omissions of the customer in connection with facilities provided by the Company.
- 10. No equipment, apparatus, circuit or device not furnished by the Company shall be attached to or connected with the facilities furnished by the Company, except as provided in this Tariff. In case unauthorized attachments or connections are made, the Company shall have the right to remove or disconnect the same; or to suspend the service during the continuance of said attachments or connection; or to terminate service.
