SECTION 3 - DESCRIPTION OF SERVICESA. General

Services will be provided through a capacity obtained from other carriers and Subscriber switching vehicles. The Applicant's carriers endeavor to provide high quality service. All network access is monitored and engineered to provide a P.01 grade of service (99% call completion ratio). Services provided by Info-Tel, Inc. include specific services offered to Residential, Commercial and Hospitality Customers. Rates for services will depend on how each Customer is classified.
