3.1. Availability

3.1.1. Service is available twenty-four (24) hours a day, seven (7) days a week.

3.2.1.1. Access to Carrier's switched service is available to Subscribers who subscribe to their Local Exchange Carrier's intrastate end user common line service, and who are authorized Users of Carrier.

3.2.1.2. Access is obtained either by presubscription to Carrier as the PIC for the end user common line, or by dialing an access code assigned to Carrier through the Local Exchange Carrier.

**SECTION 3. DESCRIPTION OF SERVICE (Cont'd)**

3.3.1.2. Person-to-Person Calls (other than Collect) - Timing begins when the designated party comes on the line, or when the caller agrees to speak with a substitute party.

3.3.1.3. All Other Calls - Timing begins when Answer Supervision is received from the terminating Local Exchange Carrier. Hardware Answer Supervision is utilized in all areas where equal access (FGD) service is available from the Local Exchange Carrier.

3.3.2. Increments - Following the Initial Period, calls are timed in units of an Additional Period. If the charges for the services are stated in terms of a unit of time greater than the Initial Period or the Additional Period, charges for Initial Period or an Additional Period of call duration will be proportionate to the ratio between the Initial Period or Additional Period and the charging unit. For example, if charges are stated as per-minute and the Initial and Additional Period are each six (6) seconds, a call of forty (40) seconds duration will incur a charge equal to seven-tenths the per-minute rate.

3.4. Time Periods for Rate Applicability - Charges for Service may be based in part on the day or the time of day during which the call occurred.

3.4.1. Day - The Day rate period is 08:00 A.M. to, but not including, 05:00 P.M. Monday through Friday.

3.4.4. Holidays - On New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, and Christmas Day, are determined as whichever will produce the lower rate charge: the Evening rate period or the rate period which would be applicable if it were not a holiday.

3.4.5. Overlap Rate Periods - Calls which overlap rate periods will be charged according to the rates applicable to the time recorded in the record.
