TARIFF FORMAT

- A. Page Numbering** - Page numbers appear in the upper right corner of the page. Sheets are numbered sequentially. When a new page is added between pages already in effect, a decimal is added. For example, a new page added between pages 14 and 15 would be 14.1.
- B. Page Revision Numbers** - Revision numbers also appear in the upper right corner of each page. These numbers are used to determine the most current page version on file with the Commission. For example, the 4th Revised Page 14 cancels the 3rd Revised Page 14. Consult the Check Sheet for the sheet currently in effect.
- C. Paragraph Numbering Sequence** - There are nine levels of paragraph coding. Each level of coding is subservient to its next higher level:
 - 2.
 - 2.1.
 - 2.1.1.
 - 2.1.1.A.
 - 2.1.1.A.1.
 - 2.1.1.A.1.(a).
 - 2.1.1.A.1.(a).I.
 - 2.1.1.A.1.(a).I.(i).
 - 2.1.1.A.1.(a).I.(i).(1).
- D. Check Sheets** - When a tariff filing is made with the Kentucky PSC, an updated Check Sheet accompanies the tariff filing. The Check Sheet lists the pages contained in the tariff, with a cross reference to the current revision number. When new pages are added, the Check Sheet is changed to reflect the revision. All revisions made in a given filing are designated by an asterisk (*). There will be no other symbols used on this page if these are the only changes made to it (i.e., the format, etc. remain the same, just revised revision levels on some pages).

LOCAL AND INTEREXCHANGE SERVICES TARIFF

SECTION 1 – DEFINITIONS

Advance Payment - Part or all of a payment required before the start of service.

Authorized User - A person, firm or corporation which is authorized by the Customer or joint user to be connected to the service of the Customer or joint user.

Circuit – A dedicated telecommunications facility provided by the Company to connect two Points of Interconnection as specified by the Customer in a Service Order Agreement. Circuits come in different types depending on the speed and data rates provisioned over the physical facilities of the Circuit (i.e., DS 1, DS3, OCx, 5 Mbps, 10 Mbps).

Company – US Signal Company, L.L.C., the issuer of this Tariff, or any of its affiliates which may concur in this Tariff.

Customer - The person, firm or corporation that orders service from this Tariff and is responsible for the payment of charges and compliance with the Company’s regulations.

Hub - A location used to aggregate multiple services and to interconnect traffic. Transport of information from a Hub to Remotes and vice versa occurs via Links. Transport is provided by line of sight technology which includes point to multipoint and point to point wireless technology.

Individual Case Basis (ICB) - A service arrangement in which the regulations, rates and charges are developed based on the specific circumstances of the Customer's situation.

IntraLATA Service - Service which originates and terminates within the same Local Access Transport Area (LATA).

InterLATA Service - Service which originates within one Local Access Transport Area (LATA) and terminates in a different LATA.

Local Area Network (“LAN”) – A short distance data communications network.

SECTION 1 – DEFINITIONS, (CONT'D.)

Non-Recurring Charges - The one-time initial charges for services or facilities, including but not limited to charges for construction, installation or special fees for which the Customer becomes liable at the time the Service Order Agreement is executed or changed.

Point of Interconnection - The point at which the Company's responsibility to provide equipment and service ends and the Customer's responsibility for the information begins, as specified in a Service Order Agreement.

Recurring Charges - The monthly charges to the Customer for services, facilities and equipment that continue for the agreed upon duration of the service.

Remote - An end point location which may serve as the termination point for various Circuit types. Transport of information from a Remote to a Hub and vice versa occurs via Links. Transport is provided by line of sight technology which includes point to multipoint or point to point wireless technology. If a site is used as an intermediate location in a chain of point to point services, both ends are defined as a Remote.

Service Order Agreement - The written request for communications services executed by the Customer and the Company in the format devised by the Company. The signing of a Service Order Agreement by the Customer and acceptance by the Company initiates the respective obligations of the parties as set forth therein and pursuant to this Tariff.

Site - A location from which radio transmission and reception equipment produces Links within a specific geographical area. A site may be Hub, Remote or Point of Interconnection.

Station - Denotes the network control signaling unit and any other equipment provided at the Customer's premises which enables a customer to establish communications connections and to effect communications through such connections.

Synchronous Optical Network ("SONET") – An optical interface standard that allows interworking of transmission products.

United States - The 48 contiguous states and the District of Columbia, Hawaii, Alaska, Puerto Rico, the US Virgin Islands, as well as the off-shore areas outside the boundaries of the coastal states of the 48 contiguous states to the extent that such areas appertain to and are subject to the jurisdiction and control of the United States.

LOCAL AND INTEREXCHANGE SERVICES TARIFF

SECTION 2 – GENERAL REGULATIONS

2.1 Undertaking of the Company

2.1.1 Scope

The Company undertakes to provide local exchange and interexchange telecommunications services to business Customers and carrier Customers within the Commonwealth of Kentucky, in accordance with the terms and conditions set forth in this Tariff.

The rates and regulations contained in this Tariff do not apply, unless otherwise specified, to the lines, facilities, or services provided by a local exchange telephone company or other common carrier for use in accessing the services of the Company.

2.1.2 No Waiver

No term or provision in this Tariff shall be waived, unless such waiver or consent is in writing and signed by the Company and the Customer to which it is attributed. No consent by the Company or Buyer, as applicable, to, or waiver of, a breach or default by the other, whether express or implied, shall constitute a consent to or waiver of, any subsequent breach or default.

2.1.3 Partial Invalidity

If any provision of this Tariff shall be held to be invalid or unenforceable, such invalidity or unenforceability shall not invalidate or render the terms of this Tariff unenforceable, but rather this Tariff shall be construed as if not containing the invalid or unenforceable provision.

2.1.4 Title or Ownership Rights

The payment of rates and charges by Customer for the Services offered under the provisions of this Tariff does not assign, confer, or transfer leasehold, title, or ownership rights to proposals, equipment, or facilities developed or utilized respectively by the Company in provision of such Services.

SECTION 2 – GENERAL REGULATIONS, (CONT'D)

2.1 Undertaking of the Company (cont'd)

2.1.2 Shortage of Equipment or Facilities

The Company reserves the right to limit or to allocate the use of existing facilities, or of additional facilities offered by the Company, when necessary because of lack of facilities, or due to some other cause beyond the Company's control.

The furnishing of service under this Tariff is subject to the availability on a continuing basis of all the necessary facilities, including facilities the Company may obtain from other carriers, to furnish service.

The provisioning and restoration of services in emergencies shall be in accordance with Part 64, Support D, Appendix A, of the Federal Communications Commission's Rules and Regulations, which specifies the priority system for such activities.

SECTION 2 – GENERAL REGULATIONS, (CONT'D.)

2.1 Undertaking of the Company, (Cont'd.)

2.1.3 Terms and Conditions

- 2.1.3.1** Except as otherwise provided herein, service is provided on the basis of a minimum period of at least one month and shall continue to be provided until canceled by the Customer, in writing, on not less than 30 days notice. For the purpose of computing charges in this Tariff, a month is considered to have 30 days.
- 2.1.3.2** Customers may be required to enter into written Service Order Agreement which shall contain or reference the name of the Customer, a specific description of the service ordered, the rates to be charged, the duration of the services, and the terms and conditions in this Tariff. Customers will also be required to execute any other documents as may be reasonably requested by the Company.
- 2.1.3.3** At the expiration of the initial term specified in each Service Order Agreement, or in any extension thereof, service shall continue on a month-to-month basis, or as specified in the Service Order Agreement, at the then current rates unless terminated by either party upon 30 days written notice. Any termination shall not relieve the Customer of its obligation to pay any charges incurred under the service order and this Tariff prior to termination. The rights and obligations which, by their nature, extend beyond the termination of the term of the service order shall survive such termination.
- 2.1.3.4** In any action between the parties to enforce any provision of this Tariff, the prevailing party shall be entitled to recover its legal fees and court costs from the non-prevailing party in addition to other relief a court may award.

SECTION 2 – GENERAL REGULATIONS, (CONT'D.)

2.1 Undertaking of the Company, (Cont'd.)

2.1.3 Terms and Conditions, (cont'd.)

2.1.3.5 Service may be terminated upon written notice to the Customer if:

- * the Customer is using the service in violation of this Tariff, or
- * the Customer is using the service in violation of the law, or as set forth in this Tariff.

2.1.3.6 The Customer agrees to operate Company-provided equipment in accordance with instructions of the Company or its agents. Failure to do so will void Company liability for interruption of service and may make the Customer responsible for damage to equipment pursuant to Section 2.1.3.7 below.

2.1.3.7 The Customer agrees to return to the Company all Company-provided equipment delivered to the Customer within five (5) days of termination of the service in connection with which the equipment was used. Said equipment shall be in the same condition as when delivered to the Customer, except for normal wear and tear.

Customer agrees to reimburse the Company, upon demand, for any reasonable costs incurred by the Company due to the Customer's failure to comply with this provision.

SECTION 2 – GENERAL REGULATIONS, (CONT'D.)

2.1 Undertaking of the Company, (Cont'd.)

2.1.4 Liability of the Company

- 2.1.4.1** Because the Company has no control of communications content transmitted over its system, and because of the possibility of errors incident to the provision and use of its service, service furnished by the Company is subject to the terms, conditions and limitations herein specified.
- 2.1.4.2** The liability of the Company for damages arising out of the furnishing of its services, including but not limited to mistakes, omissions, interruptions, delays, errors, or other defects, representations, or use of these services, or arising out of the failure to furnish the service, whether caused by acts of omission, shall be limited to the extension of allowances for interruption as set forth in this Tariff. The extension of such allowances for interruption shall be the sole remedy of the Customer and the sole liability of the Company. The Company will not be liable for any direct, indirect, incidental, special, consequential, exemplary or punitive damages to Customer as a result of any Company service, equipment or facilities, or the acts, omissions or negligence of the Company's employees or agents.
- 2.1.4.3** Except for the extension of allowances to the Customer for interruption in service as set forth in this Tariff, the Company shall not be liable to a Customer or third party for any direct, indirect, special, incidental, reliance, consequential, exemplary or punitive damages, including, but not limited to, loss of revenue or profits, for any reason whatsoever, including, but not limited to, any act or omission, failure to perform, delay, interruption, failure to provide any service or any failure in or breakdown of facilities associated with the service.
- 2.1.4.4** The Company shall not be liable for any delay or failure of performance or equipment due to causes beyond its control, including but not limited to: acts of God, fire, flood, explosion or other catastrophes; any law, order, regulation, direction, action, or request of the United States Government, or of any other state or local governments having or claiming jurisdiction over the Company, or of any department, agency, commission, bureau, corporation, or other instrumentality of any one or more of these federal, state or local governments, or of any civil or military authority; national emergencies; insurrections; riots; wars; unavailability of rights-of-way or materials; or strikes, lockouts, work stoppages, or other labor difficulties.

SECTION 2 – GENERAL REGULATIONS, (CONT'D.)

2.1 Undertaking of the Company, (Cont'd.)

2.1.4 Liability of the Company, (cont'd)

- 2.1.4.5** The Company shall not be liable for any claims for loss or damages involving any act or omission of (a) any entity furnishing to the Company or to the Company's Customers' facilities or equipment used in conjunction with services or facilities provided by the Company; or (b) common carriers or warehousemen.
- 2.1.4.6** The Company shall not be liable for any damages or losses due to the fault or negligence of the Customer or due to the failure or malfunction of Customer-provided equipment or facilities.
- 2.1.4.7** The Customer shall indemnify and hold the Company harmless from any and all loss, claims, demands, suits, or other action, or any liability whatsoever, whether suffered, made, instituted, or asserted by the Customer or any other party or person(s), and for any loss, damage, or destruction of any property, whether owned by the Customer or any other party, caused or claimed to have been caused directly or indirectly by the installation, operation, failure to operate, maintenance, removal, presence, condition, location, or use of any installation so provided. The Company reserves the right to require each Customer to sign an agreement acknowledging acceptance of the provisions of this section as a condition precedent to such installations.
- 2.1.4.8** The Company is not liable for any defacement of or damage to, Customer premises resulting from the furnishing of services or equipment on such premises or the installation or removal thereof.

2.1 Undertaking of the Company, (Cont'd.)

2.1.4 Liability of the Company, (cont'd.)

- 2.1.4.9** Notwithstanding the Customer's obligations as set forth in this Tariff, the Company shall be indemnified, defended and held harmless by the Customer, or by others authorized by it to use the service, against any claim, loss or damage arising from Customer's use of services furnished under this Tariff, including: claims for libel, slander, invasion of privacy or infringement of copyright arising from the material, data, information, or other content transmitted via the Company's service; patent infringement claims arising from combining or connecting the service offered by the Company with apparatus and systems of the Customer or others; and all other claims arising out of any act or omission of the Customer or others, in connection with any service provided by the Company pursuant to this Tariff.
- 2.1.4.10** The entire liability of the Company for any claim, loss, damage or expense from any cause whatsoever shall in no event exceed sums actually paid by Customer for the specific services giving rise to the claim. No action or proceeding against the Company shall be commenced more than thirty (30) days after the date of the occurrence that gave rise to the claim.
- 2.1.4.11** The Company shall be indemnified and held harmless by the Customer against any claim, loss or damage arising from the Customer's use of services offered under this Tariff including: claims for libel, slander, invasion of privacy or infringement of copyright arising from the Customer's own communications; patent infringement claims arising from the Customer's combining or connecting the service offered by the Company with facilities or equipment furnished by the Customer of another carrier; and all other claims arising out of any act or omission of the Customer in connection with any service provided pursuant to this Tariff.
- 2.1.4.12** The Company shall not be liable for injury to property or death to persons, including claims for payment made under Workers' Compensation law or under any plan for employee disability or death benefits arising out of, or caused by, any act or omission of the Customer, or the construction, installation, maintenance, presence, use or removal of the Customer's facilities or equipment connected, or to be connected to the Company's facilities.

SECTION 2 – GENERAL REGULATIONS, (CONT'D.)

2.1 Undertaking of the Company, (Cont'd.)

2.1.4 Liability of the Company, (cont'd.)

2.1.4.13 The Company does not guarantee or make any warranty with respect to service installations at locations at which there is present an atmosphere that is explosive, prone to fire, dangerous or otherwise unsuitable for such installations. The Customer shall indemnify and hold the Company harmless from any and all loss, claims, demands, suits or other actions, or any liability whatsoever, whether suffered, made, instituted or asserted by the Customer or by any other party, for any personal injury to, or death of, any person, or persons, or for any loss, damage or destruction of any property, whether owned by the Customer or others, caused or claimed to have been caused directly or indirectly, by the installation, operation, failure to operate, maintenance, removal, presence, condition, location or use of service furnished by the Company at such locations.

2.1.4.14 With respect to Telecommunications Relay Service (TRS), any service provided by the Company which involves receiving, translating, transmitting or delivering messages by telephone, text telephone, a telecommunications device for the deaf, or any other instrument over the facilities of the Company or any connecting carrier, the Company's liability for the interruption or failure of the service shall not exceed an amount equal to the Company's charge for a one minute call to the called station at the time the affected call was made.

2.1.4.15 The liability of the Company for errors in billing that result in overpayment by the Customer shall be limited to a credit equal to the dollar amount erroneously billed, unless otherwise ordered by the Commission. In the event that an overpayment has been made and service has been discontinued, the Customer shall be entitled to a refund of the amount erroneously billed.

2.1.4.16 The Company assumes no responsibility for the availability or performance of any cable or satellite systems or related facilities under the control of other entities, or for other facilities provided by other entities used for service to the Customer, even if the Company has acted as the Customer's agent in arranging for such facilities or services. Such facilities are provided subject to such degree of protection or non-preemptibility as may be provided by the other entities.

SECTION 2 – GENERAL REGULATIONS, (CONT'D.)

2.1 Undertaking of the Company, (Cont'd.)

2.1.4 Liability of the Company, (cont'd.)

2.1.4.17 THE COMPANY MAKES NO WARRANTIES OR REPRESENTATIONS, EXPRESS OR IMPLIED EITHER IN FACT OR BY OPERATION OF LAW, STATUTORY OR OTHERWISE, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR USE, EXCEPT THOSE EXPRESSLY SET FORTH HEREIN. THE COMPANY DOES NOT AUTHORIZE ANYONE TO MAKE A WARRANTY OF ANY KIND ON ITS BEHALF AND THE CUSTOMER SHOULD NOT RELY ON ANY SUCH STATEMENTS.

2.1.4.18 The Company is not liable for any damages, including toll usage charges, that the Customer may incur as a result of the unauthorized use of its telephone facilities. This unauthorized use of the Customer's facilities includes, but is not limited to, the placement of calls from the Customer's premises, and the placement of calls through Customer-provided equipment that are transmitted or carried on the Company's network. Company may work with Customers to recommend possible solutions to reduce the unauthorized use of their facilities. However, Company does not warrant or guarantee that its recommendations will prevent all unauthorized use, and the Customer is responsible for controlling access to, and use of, its own telephone facilities.

2.1.4.19 The Company shall not be liable for and the Customer shall indemnify and hold the Company harmless against any claims for loss or damages involving:

- (a) Protection of the Customer's transmission facilities or equipment from unauthorized access, or for any unauthorized access to or alteration, theft or destruction of Customer's data file, programs, procedure, or information through accident, fraudulent means or devices or any other method;
- (b) Changes in any of the facilities, operations or procedures of the Company that: (1) render any equipment, facilities or services provided or utilized by the Customer obsolete; (2) require modification or alteration of such equipment, facilities or services; or (3) otherwise affect the use or performance of such equipment, facilities or services, except where reasonable notice is required by the Company and not provided to the Customer.

2.1.5 Notification of Service-Affecting Activities

The Company may provide the Customer reasonable notification of service-affecting activities that may occur. Such activities may include, but are not limited to, equipment or facilities additions, removals or rearrangements and routine preventative maintenance. Generally, such activities are not specific to an individual Customer but affect many Customers' services. No specific advance notification period is applicable to all service activities. The Company will work cooperatively with the Customer to determine the reasonable notification requirements. With some emergency or unplanned service-affecting conditions, such as an outage resulting from cable damage, notification to the Customer may not be possible.

2.1.6 Provision of Equipment and Facilities

- 2.1.6.1** The Company shall use reasonable efforts to make available services to a Customer on or before a particular date, subject to the provisions of, and compliance by the Customer with, the regulations contained in this Tariff. The Company does not guarantee availability by any such date and shall not be liable for any delays in commencing service to any Customer.
- 2.1.6.2** The Company shall use reasonable efforts to maintain facilities and equipment that it furnishes to the Customer. The Customer may not, nor may the Customer permit others to, rearrange, disconnect, remove, attempt to repair, or otherwise interfere with any of the facilities or equipment installed by the Company, except upon the written consent of the Company.
- 2.1.6.3** The Company may substitute, change or rearrange any equipment or facility at any time, but shall not thereby alter the technical parameters of the service provided to the Customer.
- 2.1.6.4** Equipment the Company provides or installs at the Customer Premises for use in connection with the services the Company offers shall not be used for any purpose other than that for which the Company provided it.
- 2.1.6.5** The Company shall not be responsible for the installation, operation, or maintenance of any Customer-provided communications equipment. Where such equipment is connected to the facilities furnished pursuant to this Tariff, the responsibility of the Company shall be limited to the furnishing of facilities offered under this Tariff and to the maintenance and operation of such facilities. Subject to this responsibility, the Company shall not be responsible for:
- (a) the transmission of signals by Customer-provided equipment or for the quality of, or defects in, such transmission; or
 - (b) the reception of signals by Customer-provided equipment; or
 - (c) network control signaling where such signaling is performed by Customer-provided network control signaling equipment.

2.1.6 Provision of Equipment and Facilities (Cont'd)

2.1.6.6 The Company shall use reasonable efforts to make available Service to a Customer on or before a particular date, subject to the provisions of, and compliance by the Customer with, the regulations contained in this Tariff. The Company does not guarantee availability on any such date and shall not be liable for any delays in commencing service to any Customer.

2.1.7 Special Construction

Subject to the arrangement of the Company and to all of the regulations contained in this Tariff, special construction of facilities may be undertaken on a reasonable efforts basis at the request of the Customer. Special construction is that construction undertaken:

- (a) where Company facilities are not presently available, and Company agrees to construct those facilities;
- (b) of a type other than that which the Company would normally utilize in the furnishing of its services;
- (c) over a transmission link other than that which the Company would normally utilize in the furnishing of its services;
- (d) in a quantity greater than that which the Company would normally construct;
- (e) on an expedited basis;
- (f) on a temporary basis until permanent facilities are available;
- (g) involving abnormal costs; or
- (h) in advance of its normal construction.

Special Construction may be assessed for point to point or point to multipoint radio transmission and reception facilities. Such facilities may include, but are not limited to, radio transmission equipment, transmit and receive antennae, circuit equipment, and professional engineering services for design and construction of hub and/or remote terminal equipment including the installation of transmission cable. Special construction charges will be determined on a case-by-case basis.

SECTION 2 – GENERAL REGULATIONS, (CONT'D.)

2.1 Undertaking of the Company, (Cont'd.)

2.1.8 Non-routine Installation

At the Customer's request, installation and/or maintenance may be performed outside of the Company's regular business hours, or in hazardous locations. In such cases, charges based on the cost of the actual labor, material or other costs incurred by or charges to the Company will apply. If an installation or maintenance is started during regular business hours, but, at the Customer's request, extends beyond regular business hours into time periods including, but not limited to weekends, holidays, and/or night hours, additional charges may apply.

2.1.9 Ownership of Facilities

Title to all facilities provided in accordance with this Tariff remains with the Company, its agents, contractors or suppliers.

2.2 Prohibited Uses

2.2.1 The services the Company offers shall not be used for any unlawful purpose or for any use for which the Customer has not obtained all required governmental approvals, authorization, licenses, consents and permits.

2.2.2 The Company may require a Customer to immediately shut down its transmission if such transmission is causing interference to others.

2.2.3 The Customer may not use the services so as to interfere with or impair service over any facilities and associated equipment, or so as to impair the privacy of any communications over such facilities and associated equipment.

2.2.4 The use of the Company's services without payment for service or attempting to avoid payment for service by fraudulent means or devices, false or invalid number, or false calling or credit cards is prohibited.

2.2.5 The services that the Company offers shall not be used to make calls or transmit material which might reasonably be expected to frighten, abuse, torment, or harass another.

2.4 Customer Equipment and Channels

2.4.1 In General

A Customer may transmit or receive information or signals via the facilities of the Company.

2.4.2 Station Equipment

- A. Customer-provided terminal equipment on the Customer Premises and the electric power consumed by such equipment shall be provided and maintained at the expense of the Customer.
- B. The Customer is responsible for ensuring that Customer-provided equipment connected to Company equipment and facilities is compatible with such equipment and facilities. The magnitude and character of the voltages and currents impressed on Company-provided equipment and wiring by the connection, operation, or maintenance of such equipment and wiring shall be such as not to cause damage to the Company-provided equipment and wiring or injury to the Company's employees or to other persons. Any additional protective equipment required to prevent such damage or injury shall be provided by the Company at the Customer's expense.

2.4.3 Interconnection of Facilities

- A. Any special interface equipment necessary to achieve compatibility between the facilities and equipment of the Company used for furnishing service and the channels, facilities, or equipment of others shall be provided at the Customer's expense.
- B. The Company's service may be connected to the services or facilities of other communications companies only when authorized by, and in accordance with, the terms and conditions of the tariffs of the other communications companies which are applicable to such connections.

- B. If the protective requirements for Customer-provided equipment are not being complied with, the Company may take such action as it deems necessary to protect its facilities, equipment, and personnel. The Company will notify the Customer promptly if there is any need for further corrective action. If the Customer fails to do this, the Company may take whatever additional action is deemed necessary, including the suspension of service, to protect its facilities, equipment and personnel from harm. The Company will, upon request, provide the Customer with technical parameters that the Customer's equipment must meet.

2.5 Payment Arrangements

2.5.1 Payment for Service

The Customer is responsible for the payment of all charges for facilities and services furnished by the Company to the Customer and to all Authorized Users by the Customer, regardless of whether those services are used by the Customer itself or are resold to or shared with other persons.

The Customer is responsible for the payment of all charges for facilities and services furnished by the Company to the Customer or to authorized or joint users. For the purposes of this Tariff, all rates are in U.S. dollars. If the Customer does not remit payment by the date as indicated on the invoice, the Company may impose a 1.5% finance charge.

The Customer is responsible for the payment of any sales, use, gross receipts, excise, access or other local, state and federal taxes, charges or surcharges (however designated), excluding taxes on the Company's net income, imposed on or based upon the provision, sale or use of services.

2.5.2 Billing and Collection of Charges

The Customer is responsible for the payment of all charges incurred by the Customer or other users for services and facilities furnished to the Customer by the Company.

The Company shall bill on a month-to-month basis all charges incurred by, and credits due to, the Customer under this Tariff attributable to services established, provided, or discontinued.

- A. Non-recurring charges are due and payable within 25 days after the date an invoice is mailed to the Customer by the Company.
- B. The Company shall present invoices for Recurring Charges monthly to the Customer. Recurring charges shall be due and payable within 25 days after the invoice is mailed to the Customer by the Company.
- C. When service does not begin on the first day of the month, or end on the last day of the month, the charge for the action of the month in which service was furnished will be calculated on a pro rata basis. For this purpose, every month is considered to have 30 days.
- D. Billing of the Customer by the Company will begin on the Service Commencement Date, which is the first day following the date on which the Company notifies the Customer that the service or facility is available for use, except that the Service Commencement Date may be postponed by mutual agreement of the parties, or if the service or facility does not conform to standards set forth in this Tariff or the service order. Billing accrues through and includes the day that the service, circuit, arrangement or component is discontinued.
- E. If any portion of the payment for undisputed charges is received by the Company after the date due, or if any portion of the payment is received by the Company in funds which are not immediately available, then a late payment penalty shall be due to the Company. The late payment penalty shall be the portion of the payment not received by the due date, multiplied by the late factor. The late factor shall be the lesser of (a) 1.5% of the total monthly bill or (b) the highest interest rate which may be applied under applicable state law for commercial transactions.

2.5.3 Disputed Charges

All bills are presumed accurate and shall be binding on the Customer unless objection is received by the Company within thirty days. A disputed charge may be brought to the Company's attention written notification. All charges remain due and payable at the due date, although the Customer is not required to pay any disputed charges during the time period in which the Company conducts its investigation into the charges. The undisputed portion and subsequent bills must be paid on a timely basis, or the service may be subject to discontinuance.

In the event that a billing dispute between the Customer and the Company for service furnished to the Customer cannot be settled with mutual satisfaction, the Customer may take the following action:

- (a) the Customer may request, and the Company will provide, an in-depth review of the disputed amount. During the period that the disputed amount is under investigation, the Company shall not pursue any collection proceedings or assess late fees with regard to the disputed amount.
- (b) If there is still a disagreement about the disputed amount after investigation and review by the Company, the Customer may file an appropriate complaint with the Public Service Commission. The address of the Commission is:

2.5.4 Advance Payments

To safeguard its interests, the Company may require a Customer to make an advance payment before services and facilities are furnished. In addition, where special construction is involved, the advance payment may also include an amount equal to the estimated Non-Recurring Charges for the special construction and Recurring Charges (if any) for a period to be set between the Company and the Customer. The advance payment will be credited to the Customer's initial bill. An advance payment may be required in addition to a deposit.

2.5.5 Deposits

The Company collects deposits from its business Customers and/or carrier Customers.

(a) Customer acknowledges that delivery of the Services is subject to the continuing approval by US Signal of Customer's creditworthiness. Customer shall furnish financial information as US Signal may from time to time reasonably request to determine Customer's creditworthiness.

(b) Customer further acknowledges that Customer may be required to pay a deposit before delivery of the Services is authorized by US Signal, provided that such deposit shall not exceed one month's worth of anticipated monthly recurring charges under this Tariff. Upon termination of the Service that is subject to a security deposit, US Signal will refund to Customer the balance of the deposit (not otherwise credited against any amounts owed to US Signal), together with any interest on such deposit at the prevailing rate required by Law.

2.5.5.A.1 For non-compliance with or violation of any State, municipal, or Federal law, ordinance or regulation pertaining to telecommunications services.

2.5.5.A.2 For use of Service for any other property or purpose than that described in the Application for Service.

2.5.5.A.3 For neglect or refusal to provide reasonable access to the Company or its agents for the purpose of inspection and maintenance of equipment owned by the Company or its agents.

2.5.5.A.4 For noncompliance with or violation of Commission regulation or the Company's rules and regulations on file with the Commission, provided ten (10) days' written notice is given before termination.

2.5.5.A.5 For nonpayment of bills, including bills for any of the Company's other, nonregulated communications services, provided that the suspension or termination of Service shall not be made without seven (7) days' written notice to the Customer, except in extreme cases.

2.5.5.A.6 Without notice in the event of a Customer or Authorized User use of equipment in such a manner as to adversely affect the Company's Service to others. Within twenty-four (24) hours after such termination, the Company shall send written notification to the Customer of the reasons for the termination, or refusal of service upon which the Company relies and of the Customer's right to challenge the termination by filing a formal complaint with the Commission.

Within twenty-four (24) hours after such termination, the Company shall send written notification to the Customer of the reasons for the termination, or refusal of service upon which the Company relies and of the Customer's right to challenge the termination by filing a formal complaint with the Commission.

2.5.5.A.8 Without notice in the event of unauthorized or fraudulent use of Service. Whenever Service is discontinued for fraudulent use of Service, the Company may, before restoring Service, require the Customer to make, at his or her own expense, all changes in facilities or equipment necessary to eliminate all illegal use and to pay an amount reasonably estimated as the loss in revenues as a result of such fraudulent use. Within twenty-four (24) hours after such termination, the Company shall send written notification to the Customer of the reasons for the termination, or refusal of service upon which the Company relies and of the Customer's right to challenge the termination by filing a formal complaint with the Commission.

2.5.5.A.9 Without notice by reason of any order or decision of a court or other government authority that prohibits the Company from furnishing such services.

B. At least twenty-four (24) hours before actual termination, the Company will attempt to contact the Customer affected to apprise the Customer of the proposed termination action and steps to take to avoid or delay termination. Service will not be terminated in the event that a formal or informal complaint concerning termination is filed with the Commission.

2.5.6 Cancellation of Application for Service

- A. Applications for Service cannot be canceled unless the Company otherwise agrees. Where the Company permits Customer to cancel an application for Service prior to the start of Service or prior to any special construction, no charges will be imposed except for those specified below.
- B. Where, prior to cancellation by the Customer, the Company incurs any expenses in installing the service or in preparing to install the service that it otherwise would not have incurred, a charge equal to the costs the Company incurred, less net salvage, shall apply. In such case, the charge will be based on such elements as the cost of the equipment, facilities, and material, the cost of installation, engineering, labor, and supervision, general and administrative expense, other disbursements, depreciation, maintenance, taxes, provision for return on investment, and any other costs associated with the construction or arrangements.

The special charges described herein will be calculated and applied on a case-by-case-basis.

2.6 Allowances for Interruptions in Service

Interruptions in service, which are not due to the negligence of, or noncompliance with the provisions of this Tariff by, the Customer or the operation or malfunction of the facilities, power or equipment provided by the Customer, will be credited to the Customer as set forth in 2.6.1 for the part of the service that the interruption affects.

2.6.1 Credit for Interruptions

- A. A credit allowance will be made when an interruption occurs because of a failure of any on-net component furnished by the Company under this Tariff. An interruption period begins when a Customer reports a service, facility or circuit is interrupted and releases it for testing and repair. An interruption period ends when the service, facility or circuit is repaired or is inoperative but the Customer declines to release it for testing and repair.

- B. For calculating credit allowances, every month is considered to have 30 days. A credit allowance is applied on a pro rata basis against the rates specified hereunder and is dependent upon the length of the interruption. Only those facilities on the interrupted portion of the circuit will receive a credit.

2.10 Notices and Communications

2.10.1 All notices or other communications required to be given pursuant to this Tariff will be in writing and sent to the Customer's service address. Notices and other communications of either party, and all bills mailed by the Company, shall be presumed to have been delivered to the other party on the third business day following placement of the notice, communication or bill with the U.S. Mail or a private delivery service, prepaid and properly addressed, or when actually received or refused by the addressee, whichever occurs first.

2.10.2 The Company or the Customer shall advise the other party of any changes to the addresses designated for notices, other communications or billing, by following the procedures for giving notice.

2.11 Courtesy Credits

From time to time, the Company may grant credits against usage or recurring charges per Customer account, per monthly billing period, whenever the Company determines, in a nondiscriminatory manner, that such a credit is warranted due to consideration or disputes involving the delivery of past service to the Customer or account receiving the credit.

SECTION 2 – GENERAL REGULATIONS, (CONT'D.)

2.12 Individual Case Basis (ICB) Arrangements

Arrangements will be developed on an individual case basis (ICB) in response to a bona fide request from a Customer or prospective Customer to develop a competitive bid for a service offered under this Tariff. Rates quoted in response to such competitive requests may be different than those specified for such services in this Tariff. ICB rates will be offered to the Customer in writing and on a non-discriminatory basis.

2.13 Taxes, Fees and Surcharges

The Company reserves the right to bill any and all applicable taxes, fees and surcharges in addition to normal rates and charges for services provided to the Customer. Taxes and fees include, but are not limited to, Federal Excise Tax, State Sales Tax, Municipal Tax, Gross Receipts Tax, and E911 Surcharge. Unless otherwise specified in this rate sheet, such taxes, fees and surcharges are in addition to rates as quoted in this rate sheet and will be itemized separately on Customer invoices.

2.15 Temporary Promotional Programs

The Company may establish temporary promotional programs wherein it may waive or reduce non-recurring or recurring charges, to introduce present and potential Customers to a service not previously received by the Customers. Insofar as required by Commission regulations, the Company will file notice of its proposed promotions with the Commission.
