Dear SECRETARY:

I am writing to notify you that Advanced TelCom, Inc. wishes to request the cancellation of the following certificate/s or authorizations to provide service in your state:

Certificate / Docket number N/A

The reason for this request is that on May 2, 2002, ATG [SCS] filed voluntary petitions for reorganization under Chapter 11 of the United States Bankruptcy Code in the Santa Rosa Division of the U.S. Bankruptcy Court for the Northern District of California. Subsequently, purchasers for certain of this company's assets were located through the bankruptcy auction process. When the process of the transfer of those assets is completed, which is expected to occur approximately October 15, 2002, Advanced TelCom, Inc. will no longer provide telecommunications services.

Advanced TelCom, Inc. has no current customers in your state, and there will therefore be no effect upon telecommunications consumers in your state from the cancellation of this company's authority to provide telecommunications services.

Advanced TelCom, Inc. also respectfully requests that its intrastate tariffs in your state be cancelled concurrent with the cancellation of its authority to provide telecommunications services in your state.

If there are any additional forms, which need to be completed, or if you need additional information, please feel free to contact me at any time.

Sincerely yours,

Lon Blake
