Re: Agency

Ladies and Gentlemen:

Under a Management Services Agreement dated as of December 22, 2004 (as amended from time to time, the "Management Agreement") by and between Alaska Native Broadband 1 License, LLC ("ANB 1 License") and Cricket Communications, Inc. ("Cricket"), Cricket provides ANB 1 License management services with respect to the network build-out and operation of nine personal communications services licenses for which ANB 1 License was the winning bidder in the FCC's Auction #58.

ANB 1 License hereby delivers this letter to Cricket to confirm that Cricket is an authorized agent of ANB 1 License with power and authority to contractually bind ANB 1 License in connection with the build-out and operation of the ANB 1 licenses as contemplated by the Management Agreement. Without limiting the foregoing, Cricket has the power and authority to:

- issue purchase orders to make commitments on behalf of ANB 1 License,
- enter into contracts with vendors in the name and on behalf of ANB 1 License,
- enter into leases, sub-leases, collocation agreements and similar instruments in the name and on behalf of ANB 1 License, and
- enter into roaming agreements, interconnection agreements and interexchange service agreements in the name and on behalf of ANB 1 License.

Cricket is hereby authorized to furnish a copy of this letter to any and all third parties that may require proof of Cricket's authority to bind ANB 1 License and such third party shall be entitled to rely on this letter as conclusive evidence that Cricket is an authorized agent of ANB 1 License with full power and authority to execute instruments in the name and on behalf of ANB 1 License. In addition, delivery of this letter to a third party shall constitute a representation and

warranty by Cricket to ANB 1 License that the contemplated transaction with such third party is within the scope and authority of Cricket's agency powers granted by ANB 1 License.

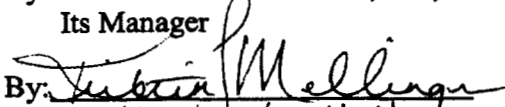

Very truly yours,
