III. Description of Proposed Transactions

BLC Management LLC d/b/a Angles Communication Solutions and BLC Acquisition Group, LLC have entered into an agreement under which BLC Acquisition will purchase one Hundred Percent (100%) of the issued and outstanding equity interests in BLC. Upon consummation of the proposed transaction, BLC Acquisition will own 100% of the equity of BLC.

The proposed transaction will provide BLC with greater operating flexibility to pursue operating purposes, including, without limitation, (a) expansion of its telecommunications infrastructure; (b) improvement of customer service, billing, financial reporting and other management information systems; and (c) possible acquisitions, future investments or strategic alliances.

There is no plan to notify customers. There will be no impact on customers, since the transaction will be transparent to customers, because the transfer of control will only result in a change in ownership. There will be no change in name, and the company will continue to provide services pursuant to the same terms and conditions.

Kentucky Public Service Commission

IV. Public Interest Analysis

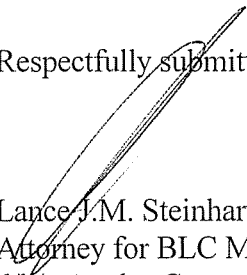

The proposed transaction is in the public interest because it will enhance BLC's ability to compete in the market for telecommunications services. The transaction will have no adverse effect upon customers. It will give BLC access to resources which will enable it to introduce new products and services and to respond to the competitive environment.

The transaction will not result in any changes to BLC's provision of service to its current customers. It is anticipated that BLC's management team responsible for its day-to-day operations are expected to remain essentially the same immediately following the proposed transaction. In addition, the contact points for customers and Commission inquiries will remain the same immediately after the transfer of control. Nor does the proposed transfer of control raise any competitive concerns.

I have also enclosed an extra copy of this letter to be date stamped and returned to me in the enclosed, self addressed, postage prepaid envelope.

If you have any questions or if I may provide you with additional information, please do not hesitate to contact me. Thank you.

Respectfully submitted,

Lance J.M. Steinhart
