Re: Global Capacity Group, Inc., Global Capacity Direct, LLC  
f/k/a Vanco Direct USA, LLC and GC Pivotal, LLC  
Transfer of Assets

Dear Mr. Derouen:

Please be advised with this original letter and eleven (11) copies that Global Capacity Group, Inc. ("GCG"), Global Capacity Direct, LLC f/k/a Vanco Direct USA, LLC ("GCD"), Global Capacity Holdco, LLC ("GC Holdco"), and GC Pivotal, LLC ("Pivotal"), hereinafter collectively referred to as "Parties" will be undergoing a Transfer of Assets of GCG and GCD to Pivotal (the "Proposed Transaction"). The Parties submit that the Proposed Transaction is in the public interest and will result in continuous telecommunications service to all GCG and GCD customers at just and reasonable rates.

On February 25, 2011, GC Pivotal, LLC filed Filing Requirements to Operate as an Interexchange and Local Exchange Telecommunications Carrier within the State of Kentucky.

On July 23, 2010, Global Capacity, including Capital Growth Systems, Inc. and its direct and indirect subsidiaries commenced voluntary petitions for relief pursuant to Chapter 11 of Title 11 of the United States Bankruptcy Code in the United States Bankruptcy Court for the District of Delaware (the "Bankruptcy Cases").

By order entered on January 26, 2011, the Bankruptcy Court for the District of Delaware approved the sale of substantially all of the assets of the jointly-administered Global Capacity debtors, including direct and indirect subsidiaries of Capital Growth Systems, Inc., to Pivotal Global Capacity, LLC or its wholly-owned subsidiary assignee GC Pivotal, LLC (the "Bankruptcy Court Order Approving Sale"). The sale closes and becomes effective upon required regulatory approvals being obtained. Section 4.1 of the Asset Purchase Agreement ("APA") approved under the order defines the Closing Date as occurring as soon as practicable after all conditions in Article XI have occurred. Section 11.1(h) requires regulatory approval of all relevant governmental entities, and Section 8.5 of the APA provides for the parties to use commercially reasonable efforts to obtain such regulatory approvals. If all regulatory approvals have not been obtained by an outside deadline of the Regulatory Approval Date (which will be August 8, 2011), the closing may still occur, with assets lacking such regulatory approval to be transferred thereafter, when such approval is obtained. Such assets will be managed by the seller pursuant to a management agreement until regulatory approval is granted.

### **III. Description of Transaction**

The Bankruptcy Order Approving Sale was issued on January 26, 2011, and under the terms of that order, Pivotal is purchasing substantially all of the assets of GCG and GCD. Upon completion of the Proposed Transaction, the assignment of assets from GCG and GCD to Pivotal will have no adverse impact on customers. Customers will continue to receive their existing services at the same rates, terms and conditions as at present. Furthermore, upon closing of the Proposed Transaction, Pivotal will change its name to Global Capacity, LLC and will make all necessary filings to effectuate the name change with

the Commission. If for any reason the sale order is not effectuated, Pivotal intends to acquire the assets by foreclosure of the security interests of Pivotal Holdco. Capital Growth and its affiliates are party to a series of Pledge Agreements, and a Term Loan and Security Agreement, dated as of November 19, 2008. The original lender's rights under those Pledge Agreements subsequently were assigned to Pivotal Holdco, the parent of Pivotal. Further, Pivotal Holdco is the successor Debtor in Possession lender in the Bankruptcy Cases, holding a first priority security interest in all of the Debtors' assets to collateralize the Debtor in Possession loan facility. Under these agreements, Pivotal Holdco may foreclose on its security interests and acquire the assets held by Capital Growth through GCG and GCD if certain repayment and other conditions are not met. If Pivotal Holdco does so, it would assign the assets to Pivotal. If foreclosure is necessary before all regulatory approvals are granted, the assets in states without regulatory approval will be managed by seller pursuant to a management agreement until regulatory approval is granted.

The Proposed Transaction will provide Pivotal as the successor in interest to GCG and GCD, with greater operating flexibility to pursue operating purposes, including, without limitation, (a) expansion of its telecommunications infrastructure; (b) improvement of customer service, billing, financial reporting and other management information systems; and (c) possible acquisitions, future investments or strategic alliances.

Organizational charts showing the current ownership structure, and the ownership structure after the Proposed Transaction, are attached hereto as Exhibit A.

In connection with the Proposed Transaction, customers of GCG and GCD will be transferred to Pivotal after being notified of the pending transaction in compliance with Section 64.1120(e) of the FCC's rules, 47 C.F.R. § 64.1120(e), and applicable state requirements. The notice will be substantially consistent of that attached as Exhibit B. Pivotal will ensure that the required notice is provided at least 30 days prior to the consummation of the Proposed Transaction.

#### **IV. Public Interest Showing**

The Parties respectfully submit that the Proposed Transaction is in the public interest. The Proposed Transaction will not adversely affect the customers of GCG and GCD. In fact, the operations of the company will be better because the Company will be economically much stronger. The economic benefits are expected to strengthen the company's ability to expand its service offerings to a broader customer base. The Parties also expect that the Proposed Transaction will enable the company to strengthen its competitive position to the benefit of consumers and the telecommunications marketplace.

The Proposed Transaction will also serve the public interest by facilitating the assignment of the telecommunications assets of GCG and GCD, including their customer bases, to Pivotal, which has the financial strength and resources to ensure continuity of service to the existing customers. Absent this assignment, GCG and GCD will be in financial distress, and possibly would be liquidated—both of which would place that continuity of service in jeopardy. Thus, the Proposed Transaction is necessary to

ensure that there is no interruption of service to customers. In fact, the Proposed Transaction would not affect the day-to-day service that customers currently receive and such service will be offered on the same terms and conditions following the Proposed Transaction.

In addition, the Proposed Transaction will involve no disruption or impairment of service to customers, the facilities used to provide such services, or the rates, terms and conditions of such service. GCG and GCD corporate officers and management team responsible for its day-to-day operations are expected to remain essentially the same immediately following the Proposed Transaction. The Proposed Transaction will not have an adverse effect on non-management employees of GCG and GCD. Finally, all existing customer service numbers/operations, contacts and procedures of GCG and GCD will also remain in place after the Proposed Transaction, including procedures relating to billing, repair and customer complaints.

I have also enclosed an extra copy of this letter to be date stamped and returned to me in the enclosed, overnight envelope.

Respectfully submitted,
