IMPORTANT NOTIFICATION

Dear Valued Customer:

As you may already know, effective thirty (30) days after the date of this letter, or as soon thereafter as the necessary regulatory approvals are obtained, KMC Telecom V, Inc. and KMC Telecom of Virginia, Inc. ("KMC")¹ will be discontinuing your telephone service (including enhanced termination service, enhanced origination service, dial access service and PRI services). This discontinuance affects service in all states where KMC is authorized to provide telecommunications service. This notice clarifies and supercedes any previous communications on this issue.

Your action is required! You must subscribe to a telephone service provider other than KMC prior to the end of the thirty (30) day period referenced above or you will not have access to the services currently available to you through KMC.

KMC will cooperate with you through the date of discontinuance concerning the transition of your telephone service to an alternative carrier of your choice and will assist you in transitioning your existing local telephone number(s) where permitted. Please consult your local telephone directory or the incumbent local exchange carrier(s) in your area for a list of other possible providers. Should you need KMC's assistance, please contact Sharon Schaub at (785) 290-9019. We regret to inform you that certain underlying vendors of critical services have threatened to cease providing service to

¹ Please note that you may have a contract with an affiliate of KMC, including, without limitation, KMC Telecom Solutions, LLC, KMC Telecom III LLC or KMC Telecom LLC.

~~KMC. If any such vendor stops providing service to KMC, the effect could be to render us unable to provide service to you for reasons beyond our control even before the thirty (30) day period has expired. Thus, it is vital that you obtain service from a substitute provider immediately.~~

The FCC will normally authorize this proposed discontinuance of service unless it is shown that customers would be unable to receive service or a reasonable substitute from another carrier or that the public convenience and necessity is otherwise adversely affected. If you wish to object, you should file your comments within fifteen (15) days after receipt of this notification. Address them to the Federal Communications Commission, Washington, DC 20554, referencing the §63.71 Application of KMC Telecom V, Inc. and KMC Telecom of Virginia, Inc. Comments should include specific information about the impact of this proposed discontinuance upon you or your company, including any inability to acquire reasonable substitute service.

KMC appreciates your business, and we regret that we will no longer be providing your telephone services. It has been our pleasure serving you.
