**Re: Verizon Business on behalf of MCI Network Services, Inc. Request for
Cancellation Tariff**

Dear Mr. Dorman:

Please accept this letter as a formal request by Verizon Business¹ that the Kentucky Public Service Commission ("Commission") cancel the tariff of its subsidiary, MCI Network Services, Inc. ("MCINS"). This request is part of an effort by Verizon Business to streamline its business operations in a manner that will simplify administrative requirements for the company, regulators and customers.

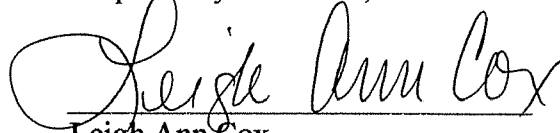

Specifically, Verizon Business requests cancellation of MCINS' tariff. MCINS has no customers and provides no telecommunications services. MCINS' filed a letter on February 2, 2006 requesting that its registration be cancelled.

We respectfully request that the tariff cancellation be effective immediately. If you have any questions regarding this matter, please feel free to contact me at the number referenced below.

¹ On Jan. 6, 2006, MCI, Inc. merged into MCI, LLC, a wholly-owned subsidiary of Verizon Communications Inc. MCI, LLC business units, and certain other business owned by Verizon Communications Inc. that serve enterprise and government customers, call themselves Verizon Business. Verizon Business operating units provide enhanced services and local, long-distance, and other telecommunications services domestically and internationally.

Please date-stamp the extra copy of this letter and return it in the enclosed, self-addressed stamped envelope.

Respectfully submitted,

A handwritten signature in black ink that reads "Leigh Ann Cox". The signature is written in a cursive style with a large initial "L".
