Re: Request to Cancel Registration and Tariff
NorthStar Communications, Inc.

Dear Mr. Dorman:

NorthStar Communications, Inc. ("NorthStar") respectfully requests that the Kentucky Public Service Commission ("Commission") allow NorthStar to cancel, without prejudice, its registration to provide intrastate interexchange telecommunications services accepted by the Commission on November 20, 2000 and to withdraw its tariff.

After a strategic business review, NorthStar has decided not to proceed in the telecommunications market. NorthStar has no customers in Kentucky, has not engaged in, nor will it engage in, intrastate telecommunications in Kentucky. Therefore, NorthStar respectfully requests that the Commission allow it to **withdraw its tariff as on file with the Commission upon receipt** of this notification and to cancel, without prejudice, its current registration.

An original and four (4) copies are enclosed. Please acknowledge receipt of this filing by returning, file-stamped, the extra copy of this cover letter in the self addressed stamped envelope provided for that purpose. Inquiries regarding this filing should be directed to me at (205) 330-1703 or via email to bobbi@visiology.com. Your assistance in this matter is greatly appreciated.

Yours truly,
