Re: Tariffs Website Change Notification

Dear Mr. Huelsmann:

On May 18, 2008, the Internet website for Tariffs will be routed to a different server. The current server is being retired and we will be making the change in order to comply with our security requirements. The web address for the site will remain the same: www.verizon.com/tariffs. Currently, this web address is routed to: <https://retailgateway.bdi.gte.com:1490/>.

Beginning May 19, 2008, anyone using <https://retailgateway.bdi.gte.com:1490/> as their bookmark will need to reset their bookmark to "www.verizon.com/tariffs". Since the server is being retired, we will not be able to automatically reroute anyone using the <https://retailgateway.bdi.gte.com:1490/> address. However, there will be a note on the site to let users know of the change. Also, if you have established a link from your website to our website using the <https://retailgateway.bdi.gte.com:1490/> address, you will need to change the link to www.verizon.com/tariffs on May 19, 2008.

Our website contains tariffs and similar documents for the following entities:

Verizon Telephone Operating Companies
Verizon Select Services Inc.
Verizon Global Solutions
Verizon Hawaii International
Verizon Avenue

Please contact Karen Terry at 972-718-3963 should you have any questions. Thank you for your assistance.

Sincerely,

Ramona Rother
Manager – State Government Relations
