Re: Winstar Wireless, Inc.

Dear Mr. Dorman:

Since April 18, 2001, Winstar Wireless, Inc. ("Winstar"), a carrier authorized to provide intrastate local and interexchange services, has been operating under Chapter 11 of the U.S. Bankruptcy Code. During this time, Winstar has been restructuring its operations in order to keep its business operational and to maintain service to existing customers.

Winstar is pleased to notify the Commission that on December 19, 2001 the United States Bankruptcy Court for the District of Delaware issued an Order authorizing the sale of substantially all of Winstar's assets to IDT Winstar Acquisition, Inc., a subsidiary of IDT Corporation. The Order assures that no interruption of service to Winstar customers will occur.

Winstar expects to file the necessary federal and state notices and applications, where required, with the Commission with more information regarding this transaction in the near future. In the meantime, if you have any questions concerning this notification, please do not hesitate to contact the undersigned at 202-367-7654 or Michael Carowitz at 202-367-7607.

Sincerely,

A handwritten signature in black ink, appearing to read 'Kimberley Bradley', written over a horizontal line.
